J. M. R. TILLARD

RELIGIEUX, AUJOURD'HUI

un volume de 212 pages 125 F.B.

La vie religieuse se trouve aujourd'hui remise en question. Les courants de pensée du monde contemporain, la contestation des structures, l'interrogation radicale sur la foi au Christ, la recherche d'un meilleur service de Dieu et des hommes acculent religieux et religieuses à définir plus fermement leur projet et à rendre plus transparent le témoignage de leur vie. Cela ne va pas sans peine : inquiétude des uns devant un aggiornamento rapide qui leur paraît une démission, désaffection chez d'autres devant ce qui leur semble un manque d'audace évangélique et de confiance dans la vitalité de l'Église. Comment lire les « signes des temps » dans la lumière de l'Esprit Saint ? Comment voir dans l'insécurité même un appel à plus d'espérance ? Le Père Tillard aborde les vrais problèmes ; il les traite avec profondeur.
